Briefly about Cherwell College Oxford

Located in the historic centre of Oxford, Cherwell College is a co-educational boarding and day school for students aged between 12 - 18 years of age.

The College follows the **Oxbridge-style tutorial method of teaching**, which is considered as the gold-standard of British education system.

This approach to education helps students to have their unique needs met and engage deeply with their tutors and subject material. Students develop an enthusiasm for learning, a curious mind, and a responsible approach to academic studies.

During the term time, the College offers a range of UK curriculum programmes that are aimed at preparing students for entry to top higher education institutions.

Boarding

Cherwell College offers excellent accommodation facilities for residential full-time and short-term students.

The boarding facilities comprise of 55 single en-suite study bedrooms with all the modern amenities:

- En-suite (single) student rooms with private bathroom;
- Full-board catering (freshly prepared meals);
- Student common area with TV and board games;
- Laundry room;
- Medical room;
- Outside garden for alfresco activities (e.g. ping pong, badminton) and BBQ (!)

The residential welfare team responsible for students' pastoral care and well-being (the so-called 'house parents') permanently reside on campus.

“

“Well, in our country,” said Alice, still panting a little, “you’d generally get to somewhere else – if you run very fast for a long time, as we’ve been doing.”

“A slow sort of country!” said the Queen. “Now, here, you see, it takes all the running you can do, to keep in the same place. **If you want to get somewhere else, you must run at least twice as fast as that!**”
