#### **Attendance Policy**

#### Introduction

Cherwell College Oxford believes that students should enjoy learning, experience success and realise their full potential.

Our Attendance Policy reflects this and recognises that regular attendance has a positive effect on the motivation and attainment of students. Any absence affects the pattern of a student's schooling and regular absence may seriously affect their learning.

The Department for Education (DfE) defines a student as a 'persistent absentee' when they miss 10% or more lessons across the school year, for whatever reason.

#### **Aims**

The College aims to meet its obligations by promoting good attendance: ensuring every student has access to education to which they are entitled; and acting to address patterns of absence.

This policy sets out the College's position on attendance. Key documents which inform this policy include:

- Keeping Children Safe in Education (2024)
- Working Together to Improve School Attendance (2024)
- The Education (ISS) Regulations (2014)
- Summary table of responsibilities for school attendance Statutory guidance for maintained schools, academies, independent schools, and local authorities.

#### **Policy**

Cherwell College is determined to provide an outstanding all-round education for our pupils. Absences should be restricted to the minimum possible. There will occasionally be legitimate reasons

### **Pre-University Tutorial College**

for absence and the school itself organises educational, cultural visits, or sporting activities which sometimes require pupils to miss all or part of the routine school day. However, these absences are closely monitored and take place within the context of the broad educational aims of the school. It is the responsibility of parents to ensure that permission is sought for all extraordinary absences from school using the following procedure.

Every school is required by law to maintain two separate registers, an Admissions Register, known as the "School Roll" and an Attendance Register. Cherwell College uses the iSAMS management information system to maintain both registers. School Inspectors are required to check both registers and assure themselves that the requirements of the regulations are being met. Every entry in the Attendance Register must be preserved for a minimum period of three years from the date the entry was made.

Schools are required to ensure that an Attendance Register is taken twice a day, at the start of the morning session, and during the afternoon for all pupils. The Regulations specify the contents of both registers and the manner in which they are operated and maintained.

For pupils to fully benefit from the educational opportunities provided by Cherwell College it is vital that high levels of attendance and punctuality are sustained throughout the academic year. Cherwell College expects all pupils to be striving for a culture of 100% attendance and 100% punctuality. Poor levels of attendance will negatively impact the personal, social and academic development of the pupil. It may also be an indicator of abuse or neglect or may indicate that a child is at immediate risk of harm. Consequently, the attendance and registration arrangements set out in this document are hugely important. The school, however, appreciates the fact that some pupils have specific needs and there may be barriers to them achieving high levels of attendance and punctuality. Where absence escalates and pupils miss 10% or more of school (equivalent to 1 day or more a fortnight across a full school year), Cherwell College expects to work together with parents to put additional targeted support in place to remove any barriers to attendance and re-engage these pupils. In doing so, staff will sensitively consider some of the reasons for absence and understand the importance of school as a place of safety and support for children who might be facing difficulties, rather than reaching immediately for punitive approaches.

#### **PROCEDURE**

#### **Planned Absence**

Term dates are published over a year in advance on the website in order that parents can arrange holidays and/or travel arrangements to/from school without disrupting a pupil's education. Only exceptional circumstances warrant a leave of absence and, therefore, leave of absence will not normally be granted during term time.

If parents know that their son or daughter needs to be away from school, they should write to the Principal to ask for leave of absence at least two weeks in advance.

Leave of absence will normally only be granted on request to the Principal in the following circumstances:

To allow a pupil to attend a unique and important family occasion;

### **Pre-University Tutorial College**

- In order that a pupil may join his/her family for the main family holiday of the year when the parental occupation dictates that this should take place wholly or in part during termtime:
- Or unavoidable travel circumstances, e.g. late notification of changed flight times.

#### Illness

If a pupil is ill, we ask parents to contact on the first morning of absence. Our Administrators will contact home during the morning if no notification has been received. When the pupil returns to school, a note is provided explaining the reason for the absence. This can be sent by email to the Attendance Monitors.

#### **Remote Learning**

Where a pupil cannot attend school for legitimate reasons which are outside of their control (such as enforced self-isolation under government guidance), but are well enough to attend lessons, arrangements can be made for them to attend lessons remotely using appropriate IT resources (Microsoft Teams).

Approval must be sought and received from the Attendance Monitors in advance of arrangements being required.

#### **Responsibilities of the College**

Attendance of less than 80% sustained over a term will prompt communication with the family and an assessment of support required to improve attendance. The College will also inform the relevant Local Education Authority (LEA) and/or Children's Social Care (CSC), as appropriate, immediately, if a single absence raises child protection concerns.

Schools are required to provide attendance returns to the Local Authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been recorded as absent for a continuous period of ten school days where their absence has been recorded with one or more of the national attendance codes (G, N, O, and/or U).

The College will make a sickness return to the Local Authority if a pupil is recorded in the attendance register as absent using the national absence code I (unable to attend because of sickness) and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive or cumulative school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.

A pupil of compulsory school age will be deleted from the school roll when the next school is not known but we have been informed that the pupil is leaving Cherwell College. The school is required to report these circumstances, as soon as possible after the grounds for deletion are met, to the LEA in which the pupil lives and, in any event, before the pupil's name is deleted from the register.

The school will also inform the LEA if a pupil leaves or starts at the school at a 'non-standard transition point'.

### **Pre-University Tutorial College**

#### **Registration Procedures and Protocols**

Registration is carried out by the nominated member of staff between 09.00-10.00 and 12.30 - 14.00pm. Registers will be marked in accordance with the DfE Codes set out in Appendix 1. An 'Unauthorised Absence Code' will be followed up until a pupil has been accounted for.

Staff taking pupils out of Registration for an extra-curricular activity or trip will register pupils using the extra-curricular register provided by iSAMS – the management system used by the school.

Registration will be followed up by Attendance Monitors where pupils are shown as unauthorised. The process followed is as follows:

Attendance Monitors call the parent to explain to parents that the child has not registered in school. A voicemail is left if the parent does not answer to explain the absence. If the parent does not answer and leave a voicemail is not possible, then the member of staff will email the parent to inform them of the absence.

Pupils marked as present in the morning registration who are not registered as present in the afternoon registration are a serious concern. Every effort will be made to locate a pupil in these circumstances. The Senior Contact, in addition to the Principal and/or the Vice-Principal will be informed immediately. Subsequent actions would include:

- Checking timetabled lesson attendance
- · Checking with friends to establish if they know of whereabouts
- Calling parents
- Informing the police

It is the teacher's responsibility to confirm that lesson registration is accurate and complete. Registers must be completed within 15 minutes of the start of the lesson.
